Company: Pruvia Integrated Limited

Location: Osogbo

Category: other-general

Job Title: Auto Body Technician

Job type: Full Time

Location: Ile-Ife and Osogbo, Osun State

Salary 100k

Auto body technicians work on collision repairs, auto painting, auto glass repairs, and other auto body repair services.

They also work closely with auto body shops and auto insurers.

Auto body technicians diagnose and repair or replace damaged vehicles.

They remove and replace parts, clean vehicles, and repair damage.

In addition to diagnosing and repairing damaged vehicles, auto body technicians also clean and paint vehicles.

They work with a variety of paints, including acrylic enamel, automotive enamel, and gloss.

Job Brief:

Our Client, a major player in the Automotive Industry looking for an Auto Body Technician who is passionate about their work and takes pride in delivering high-quality repairs. As an Auto Body Technician, you will be responsible for repairing damaged vehicles according to manufacturer specifications. You will also be required to maintain a clean and organized work area. If you are a self-motivated individual with a positive attitude and a desire to succeed, we want you on our team!

Auto Body Technician Duties:

Perform pre-collision repairs, refinishing, etc

Clean and sanitize all vehicles

Repair, replace, or adjust automotive parts, systems, or assemblies

Maintain records of all completed automotive repairs

Use computerized information systems to diagnose and troubleshoot automotive problems

Ability to stand, walk, bend, stoop, reach, push, pull, carry, and sit for prolonged periods

Responsibilities:

Inspect vehicles for damage, estimate repairs, and make repairs or replacements, using hand tools and power tools

Rebuild vehicles, using body panels, trim, and mechanical components, including body parts, bumpers, fenders, hoods, doors, and windshields

Cut, grind, and polish body surfaces and parts

Clean, replace, and install parts, using hand tools, power tools, and jacks

Perform other duties as described on work orders

Perform other duties as required

Requirements And Skills:

Ability to work independently in a fast-paced environment

Strong organizational and time management skills

Highly motivated, detail-oriented, and flexible

Applicant must reside within Osun State (Osogbo)

BSC, HND in mechanical studies
