

Backend Developer C#

[Apply Now](#)

Company: Matta

Location: Victoria Island

Category: installation-maintenance-and-repair

Position Overview: The C# developer must have an excellent grasp of C# and the .NET framework, prolific coding abilities, and be able to problem-solve on a daily basis. A top-quality C# developer will be able to perform full-stack development as well as handle the creation, maintenance, and further development of .NET applications and programs. Key

Responsibilities: Developing C# .NET solutions for the organization. Creating in-house applications using the .NET framework. Debugging and maintaining written code. Defining and organizing projects on an ongoing basis. Reporting and resolving issues related to .NET projects. Identifying and handling technical risks and issues. Working in a project team alongside other developers. Providing technical support to stakeholders in the organization.

Reporting on project statuses and developments to senior team members. Participating in project meetings with management and other team members. **Requirements** A bachelor's degree or any relevant degree in computer programming, computer science, or information technology. C#, .NET Core 6 (or higher), and Microsoft Visual Studio certification and experience. A minimum of 3 years of experience as a C# programmer or developer.

Knowledge of other coding-languages (Typescript, Java, etc). Ability to write clean, easy to understand code. Outstanding analytical and problem-solving capabilities. Excellent written and verbal communication skills. Ability to work independently and complete projects with minimal supervision. Experience with Web services development (SOAP, REST) Strong in Object Oriented Programming, MVC, Design patterns and SOLID principles Sound understanding of coding and development processes. Experience with working in an agile environment. **Benefits** Matta is an equal opportunity employer committed to assembling a

diverse, broadly trained staff. What we offer: An attractive compensation package that is commensurate with the demonstrated level of required experience and skill and in line with industry standards. Hybrid work structure. HMO Performance Bonus. Full time, life access to learning Interested? send your CV directly to people@matta.trade
