Job Description

JOB TITLE: DENTIST

REPORTS TO: DENTAL DIRECTOR

LOCATION: LAGOS, NIGERIA

Our client is a Group of companies with over 3 decades of business operations in areas such as power generation, real estate, construction and automobile. The Group has so far established itself as a renowned and trusted brand providing reliable, top-quality solutions for Nigerians.

JOB PURPOSE

The dentist will be responsible for providing a range of dental procedures (e.g. diagnose and provide treatment)

KEY RESPONSIBILITIES

- Deliver superior quality care to all patients regardless of socioeconomic status or cultural background.
- Diagnoses and treats diseases, injuries and malformations of teeth and gums and related oral structures.
- Examines patients; utilizes x-rays, mirrors, explorers and other diagnostic procedures and instruments.
- Cleans, fills, extracts and replaces teeth, using rotary and hand instruments, dental appliances, medications and surgical implements.
- Designs and builds crowns, bridges and other oral structures.

- Plans program of examination and treatment for patient clientele.
- Participate in management and staff meetings, and other Board and misc. meetings and retreats if appropriate.
- Follow current protocol and procedures relative to personnel, expenditures and purchases
- Develop and implement patient dental education programs by currently acceptable dental practices.
- Maintain written records as required by law and ensure quality dental health care and sound fiscal and management control.
- Provide direct dental care to Clinic patients.
- Participate in planning with administrative, medical staff and the Board and follow through with goals as they are set.
- Directly supervises dental staff.
- Maintains strict patient confidentiality.
- Procedures including the application of prostheses, sealers, and whiteners

Educational/Professional Requirement

- Valid state dental license
- Certified in CPR
- Good interpersonal skills and communication
- Computer skills and experience with Microsoft Office Suite
- Accurate and precise attention to detail
- Compassionate and caring of patients
- Excellent written and verbal communication skills
- Calm and cool-headed with a positive attitude
