

Finishing Supervisor (Construction) - Lagos

[Apply Now](#)

Company: eRecruiter Nigeria

Location: Lagos

Category: other-general

Our client, a leading construction company, is currently seeking a Finishing Supervisor to join their team. The company has a strong reputation for delivering high-quality projects in a timely and cost-effective manner. They specialize in finishing works for various projects, including residential, commercial, and industrial buildings.

As a Finishing Supervisor, you will be responsible for overseeing and managing the finishing phase of construction projects, ensuring that all work is completed to the highest standards of quality, safety, and professionalism. You will work closely with the project manager and other stakeholders to ensure that projects are completed on time and within budget.

The ideal candidate for this position will have several years of experience in construction supervision, with a specific focus on finishing work. They should have a strong understanding of finishing materials, processes, and techniques, as well as a keen eye for detail and aesthetics. Excellent communication, leadership, and problem-solving skills are also essential.

RESPONSIBILITIES

Overseeing project schedules and ensuring tasks are completed on time

Resolving finishing construction issues and maintaining a high standard of safety and quality

Calculate, monitor and track all materials required for each project ensuring no overruns

Liaise with the project manager regarding all adjustments as required, ensuring required materials are ordered in advance in order to meet deadlines.

Plan and Communicate scope of work requirements to artisans, review production, quality and

ensure implementation

Checking technical designs and drawings to ensure that they are followed correctly

Oversee quality control and health and safety matters on site

Checking and preparing site reports as required

Perform any other functions requested by the General Managers, Technical Manager or Project Managers.

REQUIREMENTS

Diploma or University degree in Construction, Building, Civil Engineering or a relevant discipline.

Relevant professional certifications in Engineering or Building are an advantage but not mandatory.

Minimum of 10 years' experience in a finishing supervisor, construction, or civil engineering role.

Proficient in AutoCAD, MS Office, and Adobe Professional.

Strong knowledge of building codes, regulations, and industry standards, with a focus on finishing works.

Demonstrated ability to manage and coordinate multiple teams and subcontractors, ensuring that work is completed efficiently and to a high standard.
