Requirements

Bachelor's Degree in Business Administration, Operations Management, or a related field (master's degree preferred).

Minimum of 10 years' experience.

Strong leadership and team management skills, with the ability to inspire and develop a high-performing operations team.

Excellent problem-solving and decision-making abilities.

Proven experience in budget management and financial acumen.

Knowledge of operational best practices and process improvement methodologies.

Strong analytical and data-driven mindset.

Effective communication and interpersonal skills.

Responsibilities

Develop and execute operational strategies aligned with the company's goals and objectives.

Lead and oversee all operational departments, including production, supply chain, logistics, and quality control.

Drive continuous improvement initiatives to enhance operational efficiency and reduce costs.

Establish and monitor key performance indicators (KPIs) to measure and improve operational performance.

Collaborate with cross-functional teams to ensure alignment between operations and other business functions.

Develop and manage budgets, allocating resources effectively to meet operational goals.

Identify and mitigate operational risks, ensuring compliance with industry regulations and standards.

Foster a culture of safety, quality, and accountability within the operations teams.

Lead initiatives to promote sustainability and environmental responsibility in operations.

Stay updated on industry best practices and trends to drive innovation in operations processes.
