

Innovation Consultant – Segun Awosanya & Co

[Apply Now](#)

Company: Jobspaddy

Location: Nigeria

Category: business-and-financial-operations

Company Description:

Segun Awosanya & Co. the parent of VISDAV Consulting, is a leading professional accounting firm with multiple successful projects in a variety of areas such as specialized audits, public finance consultancy, project monitoring, capacity building, debt recovery, advisory services, and system automation in both public and private sectors.

Our vision is to provide innovative value-adding services for our clients.

Role Description:

We are seeking a dynamic and innovative professional to join our team as an Innovation Consultant. In this role, you will play a key part in driving creative solutions, fostering a culture of innovation, and guiding the firm and clients toward sustainable growth.

You will be responsible for facilitating ideation and leading innovation initiatives, as well as conducting primary and secondary market research to identify opportunities and create business cases. The successful candidate will also facilitate the preparation of proposals and project plans, and manage innovation projects to completion.

Qualifications:

- Bachelor's degree or higher in Information Technology, Accounting, Business Administration, Engineering, or a related field.
- 2+ years of relevant experience in innovation, management consulting, or strategic planning.
- Excellent problem-solving and analytical skills with experience in design thinking and agile methodologies.

- Strong communication and interpersonal skills with the ability to engage multiple stakeholders from various departments and backgrounds.
- Demonstrated ability to manage multiple projects and priorities in a dynamic work environment.
- Understanding of key innovation trends and technologies.
- Experience in preparing and delivering presentations to management and clients.
- Understanding of project management methodologies and digital transformation strategy is a plus.
