Company: Kuda Technologies Ltd

Location: Lagos

Category: arts-design-entertainment-sports-and-media

Summary

Kuda is a money app for Africans on a mission to make financial services accessible, affordable and rewarding for every African on the planet.

We're a tribe of passionate and diverse people who dreamed of building an inclusive money app that Africans would love so it's only right that we ended up with the name 'Kuda' which means 'love' in Shona, a language spoken in the southern part of Africa.

We're giving Africans around the world a better alternative to traditional finance by delivering money transfers, smart budgeting and instant access to credit through digital devices.

We've raised over \$90 million from some of the world's most respected institutional investors, and we're rolling out our game-changing services globally from our offices in Nigeria, South Africa, and the UK.

Role overview

We're looking for an excellent Motion Designer with experience in creating and delivering motion graphics for various media and marketing campaigns.
