

## Pidgin (Nigeria) Speech Rating Evaluator

[Apply Now](#)

Company: Likha Careers

Location: Abuja

Category: healthcare-practitioners-and-technical

**Position Type:** Independent Contractor

**Project Type** Long-Term Project

**Project Setup** Remote

**Industry** Artificial Intelligence (AI)

**Payments** \$2.75 USD per hour. Payments will be processed via AirTM

### About the Job:

Our client is looking for diligent and detail-oriented Speech Rating Evaluator. In this role, you will be responsible for evaluating short audio samples to assess their naturalness and fluency.

### Scope & Responsibilities:

Listen to brief audio clips, typically a couple of seconds in duration.

Evaluate the naturalness and overall quality of the speech in each audio sample.

Ensure accuracy and consistency in rating audio samples according to established guidelines.

### Required Qualifications:

Fluency in **English** and **Pidgin (Nigeria)** language.

Strong attention to detail and ability to maintain focus while evaluating audio samples.

Reliable internet connection and access to a quiet workspace.

### **About the Client:**

Our client is an emerging leader in AI training data to power intelligent technology for global organizations, collaborates closely with Likha Careers through a strategic partnership. In tandem with an international network of contributors, they specialize in collecting and annotating data across multiple modalities with the speed, scale, and agility required by the enterprise.

Through its partnership with Likha Careers, our client remains committed to being an equal opportunity employer. The company ensures that no applicant faces less favorable treatment based on various factors including gender, gender identity, marital status, race, color, nationality, ethnicity, age, sexual orientation, socio-economic background, responsibilities for dependents, or physical or mental disability. All hiring decisions are solely based on evaluating skills, qualifications, and experience.

### **About Likha Careers:**

Likha is a traditional Tagalog (Filipino) word that means 'to create' or creation. At its ~~Likha~~, *Careers* exists to help create a world where people of all walks of life have the opportunity to participate in a positive and rewarding career where happiness, pride, and financial security are achieved. We do this through thoughtful, people-centric career services.

**Let's create your career together!**
