Expires at: 2025-03-28

Remote policy: Full remote

We are a leading Food & Beverage company dedicated to delivering high-quality culinary experiences to our customers. With a focus on innovation and technology, we are seeking a talented SAP Fiori Developer to join our team and enhance our SAP applications with modern, intuitive user interfaces.

Responsibilities:

Design, develop, and implement SAP Fiori applications based on user requirements and design principles.

Collaborate with functional teams and end-users to understand business processes and translate them into intuitive and responsive user interfaces.

Customize and extend standard Fiori apps to meet specific business needs.

Ensure the seamless integration of Fiori applications with existing SAP modules and systems.

Conduct thorough testing of Fiori applications, including unit testing, integration testing, and user acceptance testing.

Stay current with the latest SAP Fiori technologies and best practices.

Provide support and troubleshooting for Fiori applications.

Main requirements

Bachelor's degree in Computer Science, Information Technology, or a related field.

At least 3 years of experience as an SAP Fiori Developer or in a similar role.

Proficient in SAP Fiori design principles and UI development.

Strong understanding of SAPUI5, JavaScript, HTML5, and CSS3.

Knowledge of OData services and Gateway configuration.

Ability to create responsive and user-friendly designs for various devices.

Strong communication and collaboration skills.

Benefits & Perks

Highly competitive salary and comprehensive benefits package.

Flexible working hours

Collaborative and inclusive work environment that values creativity and innovation.

Opportunities for professional growth and career advancement within a rapidly expanding organization.

Work-life balance and a supportive culture that values your personal well-being.

Regular team events, social activities, and celebrations.
