Role Responsibilities

Are you a skilled communicator who thrives under pressure? Are you a natural leader with experience in wildfire management and crew supervision?

If so, we have an exciting opportunity for you! We are currently seeking a Crew Supervisor to join our Wildfire Management team.

As a Crew Supervisor, you play a critical role in managing and supervising seasonal Wildfire Crews during Pre-Suppression and Suppression activities and on various projects.

You are responsible for ensuring the safety of your crew members and act as a mentor to help enhance their knowledge and skills. When dispatched to a wildfire, you may be required to fill the role of Incident Commander, who is responsible for managing all resources on a wildfire. On larger incidents, you may be required to perform the function of Strike Team or Task Force Leader or Division Supervisor, supervising numerous crews within a manageable span of control.

Responsibilities:

Obtain daily project or wildfire assignments and conduct a safety briefing to address anticipated working conditions and identify potential hazards to ensure worker safety.

Act as a mentor and trainer to enhance the Wildfire Crew's knowledge base, skills, and abilities.

Effectively communicate with the Supervisor, Forest Area Duty Officer, and Wildfire Crews to complete tasks and assignments safely and on time.

Complete all administrative duties accurately and within established deadlines.

Ensure all operations comply with Departmental Standard Operating Procedures & Business Rules and Occupational Health and Safety Acts & Regulations.

Provide support to other Wildfire Operations and Wildfire Prevention programs.

If you are an experienced and motivated leader with a passion for wildfire management and crew supervision, we encourage you to apply for this exciting opportunity.
